

Or That:

18. Documents prove that the media was to be the key player in creating the hype leading up to the promotion of vaccines, that a VACCINATE WITH CONFIDENCE paper by the CDC exists, along with its British equivalent, and that lifting lockdowns - on condition of vaccination - is used as a carrot to get people to accept the jab

19. Politicians are caught on camera talking about the theater of wearing masks, and the NCBI, a division of the NIH, published a paper on the complete ineffectiveness of masks. Even the CDC warns of the dangers of masks, as do these studies on Mask Induced Exhaustion Syndrome MIES

20. The CDC owns the patent for the coronavirus that is transmitted to humans; also, a patent for a Covid19 test was filed in 2015, and Covid19 test kits were being shipped around the world in 2018

21. The Covid19 Vaccine was developed in just a few hours

22. Vaccine companies cannot be sued for injuries

23. Bill Gates, who invested \$10 Billion into vaccines, boasts of how he injects kids with genetically modified organisms, and can't wait for the next pandemic to hit

24. Bill Gates is on record pushing for vaccine passports. Parenthetically, various domain names for "vaccine passport" were filed in 2016 by an entity in Milan, Italy, and that there are people who cannot take vaccines because of medical contraindications. A vaccine passport would discriminate against these people as they attempt to go about their lives, in violation of The Americans with Disabilities Act of 1990 (42 U.S.C. Section 12101).

25. Bill Gates is on record pushing for the right vaccines to lower the world population by 10% to 15%, and a call has been made for his arrest and trial at the International Criminal Court for crimes against humanity, while recently a TV anchor substitutes "immunized" with "euthanized"

26. Covid variant vaccines are to be marketed without safety trials, Fauci confirmed it, and that antibodies/antigens to SARS-CoV-2 are found in saliva, making the use of masks counterproductive in achieving herd immunity

27. The CDC, that props itself up with statements like:

"The Centers for Disease Control and Prevention (CDC) is the agency Americans trust with their lives. As a global leader in public health, CDC is the nation's premier health promotion, prevention, and preparedness agency. Whether we are protecting the American people from public health threats, researching emerging diseases, or mobilizing public health programs with our domestic and international partners, we rely on our employees to make a real difference in the health and well-being of people here and around the world." buys and resells vaccines at a markup, about \$4.6 Billion worth every year, and owns over 20 vaccine patents - according to Robert F. Kennedy Jr. - and is listed on Dun & Bradstreet

Finally Did You Know:

28. The consent forms in hospitals disguise vaccines as "biogenics", and blood brokers have paid up to \$1,000 for blood samples of recovered Covid19 people

29. It's against the Nuremberg code to force vaccinations on a person, and informed consent overrides public policy. Federal law prohibits employers and others from using vaccines under EUA as a condition of employment.

30. Time, again and again the WHO has discouraged the wearing of masks by healthy individuals, let alone children

31. Several "simulations" of a pandemic were held in:

- May 2018 Clade X by Johns Hopkins University

- September 2019. The WHO's Global Preparedness Monitoring Board (in another supposed simulation) included as one of its progress indicators the release of two lethal pathogens by September 2020. See pg 39

- 2018. Bill Gates' INSTITUTE FOR DISEASE MODELING released a video modeling a pandemic starting at Wuhan, China

- October 2019. Bill Gates sponsored a Global Pandemic Exercise Event 201, video, and Fauci sits in the Leadership Council of the Bill & Melinda Gates Foundation, which has contributed over \$3.5 million to Fauci's NIH

32. The Pfizer, Moderna and J&J jabs were developed using fetal cell lines, that is, cells grown in labs originally obtained from aborted fetuses decades ago. The argument used by pro-vaxers is that these are not the original cells, but descendants or duplicates of the originals. The medical term is MRC-5. You have a right to decline any vaccine that was developed with or contains MRC-5.

33. Lockdowns have had no effect on the death rate. Here's another report. And here we can see how Covid won't breach Michigan's southern border

34. On March 2020, the British Government discussed tactics it would use to ensure citizens complied with the loss of their rights and freedoms and these have included -

- Using media to increase the sense of personal threat
- Using media to increase the sense of responsibility to others
- Using and promoting social approval for desired behaviors
- Using social disapproval for those who do not comply

No JAB For Me

Statements are substantiated with facts from primary sources such as CDC, WHO, FDA documents. Informed Consent requires a flow of information. The content provided is the facts.

In view of the fact that social distancing and masks are being mandated even after vaccinations, because a vaccinated person can be infected and spread a disease that has a 99.99% survival rate, how do masks, social distancing, and certificates of vaccination bring life back to normal? The answer should be obvious. They don't. The notion that herd immunity is achieved with vaccines does not mesh very well with the concept that vaccines do not restrict infection or contamination. In a court of law, fraud would be established beyond any reasonable doubt.

The vaccine makers and their supply chains care about profits and pampering their shareholders. They need pandemics if they are to see a return on their investment, as does the CDC that's listed on Dun & Bradstreet. Lastly, the directive of March 24, 2020 by the CDC to list all deaths as COVID, even on the assumption a patient was infected with COVID, is a crime. ~ by Paul Adams

Did You Know:

1. The FDA did not approve [Moderna](#) or [Pfizer](#) mRNA gene therapeutics they dubbed "vaccines". It simply authorized them. [Fauci](#) confirms. [19 doctors](#) warned the world of the dangers. AstraZeneca is being dropped by 24 [countries](#). Johnson & Johnson is a [Viral Vector](#)(1) vaccine that was given [Emergency Use Authorization](#) on Feb. 27, 2021. Several States have halted its distribution due to [formation of blood clots](#). The [CDC](#) confirms. It also [confirms](#)(2) the Pfizer & Moderna jabs are the [deadliest](#) of all "vaccines", also in a [bar chart](#)

2. The [clinical trials](#) will be completed in 2023, and there are [12 vaccine companies](#) working on profiting from vaccine sales

3. The FDA & CDC have not revealed to the public over 20 adverse effects, including Death, related to Covid19 vaccines, which were discussed in an [October 2020 meeting](#). 3,186 deaths from Covid19 vaccines are reported by the [National Vaccine Information Center](#) as at 4/16/2021, and [one-third of the deaths](#) occurred within 48 hours. For clarification purposes in this article, Covid19 is regarded as an influenza variant. Some will argue that it was developed in a [Gain-of-Function](#) lab. That is moot. The primary consideration is whether an experimental vaccine is warranted for a disease with a 99.9% survival rate. I am for tried, true and tested (safe) vaccines. I am NOT for experimental vaccines backed by disastrous animal studies

4. The mRNA jab delivers a synthetic, inorganic molecule (medical device) that programs your cells to [synthesize pathogens in the form of the spike protein](#) that your immune system will constantly have to fight off for the rest of your life, according to experts such as Molecular Biologist & Immunologist, Professor [Dolores Cahill](#). She [explains](#). [Fauci](#) confirms. Dr. Lee Merritt [reconfirms](#). Others call it [Information Therapy](#) that hacks the software of life, according to Moderna's [Mode RNA] chief scientist. You essentially become a GMO. Dr. Sherri Tenpenny has mapped out [eight mechanisms](#) of how the Covid jab is going to kill people

5. The mRNA jab [does not prevent](#) you from contracting Covid19 or from transmitting it. Dr. Steve Hotze [elaborates](#). [Fauci](#) confirms. The [CDC](#) graph underscores that reality, proving vaccines are ineffective and vaccine passports are totally useless. 87 million Americans have been vaccinated as at 4/20/21, of which 7,157 have contracted Covid after being [vaccinated](#), resulting in 88 deaths. Also, an imperfect "vaccination" can enhance the transmission of highly virulent pathogens, according to this [NCGL article](#)

6. The CDC inflated the death rate for Covid19 - that was not isolated - by instructing medical practitioners in its March 24, 2020 directive to ascribe the cause of death as Covid19 for all deaths, irrespective if patients were tested positive for Covid19 or if they had other comorbidities, so as to ramp up the fear, and doctors have publicly stated they are being pressured to mark Covid19 on death certificates. Here is a list:

Dr. Dan Erickson

Dr. Scott Jensen

Infectious Disease Director Kris Ehresmann

and that 60,000 Americans have been dying weekly, consistently, before and after the covid scare - more data - while deaths by influenza and other diseases have plummeted

Are You Aware:

7. The CDC later admitted that 94% of deaths had underlying conditions. That means that of the 527,000 deaths attributed to the influenza variant masked as SARS-CoV-2 only 6% were actually caused directly by Covid19, or 31,620. That brings the true case fatality rate to 0.12% out of the 27 million cases

8. The survival rate for Covid19 is, therefore, roughly 99.9%. When using the state population as the denominator, the death rate is even lower, ranging from 36 to 247 deaths per 100,000. As at March 19, 2021, even with the doctored numbers and faulty tests, the CDC arrived at the following survival rates:

Ages 0-17 99.998%

Ages 18-49 99.95%

Ages 50-64 99.4%

Ages 65+ 91%

9. The CDC lumped pneumonia, influenza, and Covid19 into a new epidemic it called PIC in order to inflate Covid19 deaths. The CDC stats for week of July 3, 2020 confirm that pneumonia and influenza combine with Covid to inflate the death rate. The Feb. 5, 2021 report does the same. The duplicity is underscored in the search results page, where only "(P&I)" is mentioned, but PIC graphs appear upon clicking the links. Deaths by influenza have dropped from 61,000 in 2018 to 22,000 in 2020, while medical malpractice is the third leading cause of deaths in the US

10. Hospitals are paid \$13,000 for every Covid19 admission, and \$39,000 for every patient that is put on a ventilator, on average.

11. The PCR tests do not detect SARS-CoV-2 particles, but particles from any number of viruses you might have contracted in the past, and that a lawsuit for crimes against humanity is being launched by a German attorney for this fraud. Even [Fauci](#) admits PCR tests don't work. The WHO backs him up. In this CDC document, testing guidelines state that false negatives and positives are possible - page 39. The PCR test cannot rule out diseases caused by other bacterial or viral pathogens - page 40. But most importantly, on page 42, SARS-CoV-2 was never isolated in the first instance: "Since no quantified virus isolates of the 2019-nCoV were available for CDC use at the time the test was developed and this study conducted, assays designed for detection of the 2019-nCoV RNA were tested with characterized stocks of in vitro transcribed full length RNA". Neither the CDC can provide samples of SARS-CoV-2, nor can Stanford and Cornell labs, and in a CNN interview [Fauci](#) said he was not getting tested and there is no need to test asymptomatic people. He reiterates that asymptomatic people have never been the driving force of a pandemic. Again, the WHO backs him up

12. There are class action lawsuits in the works, naming Anthony [Fauci](#) as defendant, amongst others. Here's a partial list :

- a lawsuit against the CDC was filed for illegally withholding information under FOIA

- the WHO has a lawsuit brought against it by German lawyer, Dr. Reiner Fuellmich, for crimes against humanity. Here is an update

- nurses are suing a hospital CEO for covering up the Covid fraud

- California teachers are suing for being pressured to get an experimental vaccine, the press release

And That:

- the Government of Norway is facing a crimes against humanity lawsuit
- the UK Government will be facing a lawsuit for crimes against humanity
- Israelis are launching a crimes against humanity lawsuit against their own Government
- the Canadian Government is facing a legal battle from the best Constitutional attorney, Rocco Galati, who wants to see Bill Gates jailed
- Florida is suing the Federal Government and the CDC
- doctors plead guilty to biotest fraud
- Human Rights attorney, Leigh Dundas, is going after California for trying to vaccinate children without parental consent
- a British law firm is fighting against 'No Jab, No Pay, No Job'
- And we're just getting warmed up

13. Therapeutics and prophylactics for coronaviruses, like Hydroxychloroquine, have been approved in WHO, CDC and NIH websites, but were intentionally kept out of the public eye in order to fast track vaccines. Now, some doctors are pleading that Ivermectin be used as a sure cure

14. Front Line Doctors who try to explain the benefits of proven therapeutics are being silenced, and some have had their license suspended. A concise summary by Dr. Simone Gold, who is also an attorney and founder of America's Front Line Doctors, is a must watch. As well, the British Medical Journal has broken rank and is citing corruption and suppression of science. The World Doctors Alliance joins the resistance. In Australia, the Covid Medical Network represents senior medical professionals doing battle

15. [Fauci](#) and the CDC have flip-flopped on masks, contaminated surfaces, asymptomatic spread, testing, and have only recently acknowledged that herd immunity is achieved when antibodies are spread by those who beat the disease (the 99.9%), but still recommends social distancing, only now from 6 feet to 3 feet, resulting in this lockdown map.

Speaking of herd immunity, the WHO changed its June 7, 2020 definition from "Herd immunity is the indirect protection from an infectious disease that happens when a population is immune either through vaccination or immunity developed through previous infection" to "Herd immunity", also known as 'population immunity', is a concept used for vaccination, in which a population can be protected from a certain virus if a threshold of vaccination is reached. Herd immunity is achieved by protecting people from a virus, not by exposing them to it" in Nov. 13, 2020. But, it again reversed its position in Dec. 2020, adding this inane remark: "Vaccines train our immune systems to create proteins that fight disease, known as 'antibodies', just as would happen when we are exposed to a disease but - crucially - vaccines work without making us sick. Vaccinated people are protected from getting the disease in question and passing on the pathogen, breaking any chains of transmission"(4)

16. Injuries and deaths by mRNA jabs keep rising. VAERS reports 10,152 serious injuries as at 4/16/21. In the first quarter of 2021 there has been a 6000% increase in vaccine deaths from the same period a year ago

17. The CDC at one time recommended DDT for in home use, and used the same fear tactics to sell vaccines for H1N1
